

10 Fairy Avenue Fairy Meadow, NSW

4 2 1

Classic 1960s charm with room for the whole family

Retaining its original 1960s facade, this freestanding brick home offers a versatile single level layout with four well-proportioned bedrooms, two bathrooms and two separate living areas. The thoughtful floorplan creates excellent separation, with two bedrooms and a bathroom at the front of the home, while the centrally positioned kitchen connects to a second living zone, two additional bedrooms and another bathroom. A sunny deck provides a lovely spot to unwind, while the generous storage beneath the home adds further practicality. Set within a popular city-circle pocket, the location is equally appealing, with prime proximity to the University of Wollongong, schools, shopping and the beach, plus access to the motorway within 2.5km.
