Family home offering comfort and possibilities

Situated at the end of a quiet cul-de-sac on a rear to north level parcel of land, this residence presents in immaculate condition and offers a quality lifestyle plus the opportunity to add your own touch. A traditional 1960s home, it enjoys a spacious, easy living floor plan complemented with high ceilings and expansive windows. Close to Saint Ignatius' College and CBD buses, it is only 15 minutes to the city.

Ducted-ceiling heating and air conditioning throughout premises

Freshly painted in soft tones with new stylish blinds and new carpet

Formal dining room as well as separate informal meals area off kitchen

Natural light flows throughout living room as well as separate family area

Two-car garage and workshop as well as extra under-house storage area

Extra storage room off garage for possible media room/office/development (STCA)
