Please note this is not a survey. Plan and measurements are approximate and for general information only. It is important that all interested persons should confirm all details and information listed on this plan. Also this floor plan is based on internal measurements and no attempt is made to represent wall thickness or material which can range from stud, single or double brick to heavy sandstone. A compass reading is taken on site and represents approx. north point. Drawing by Roy Gilmore (07 9949 8548).
