Invest In Coastal Living...

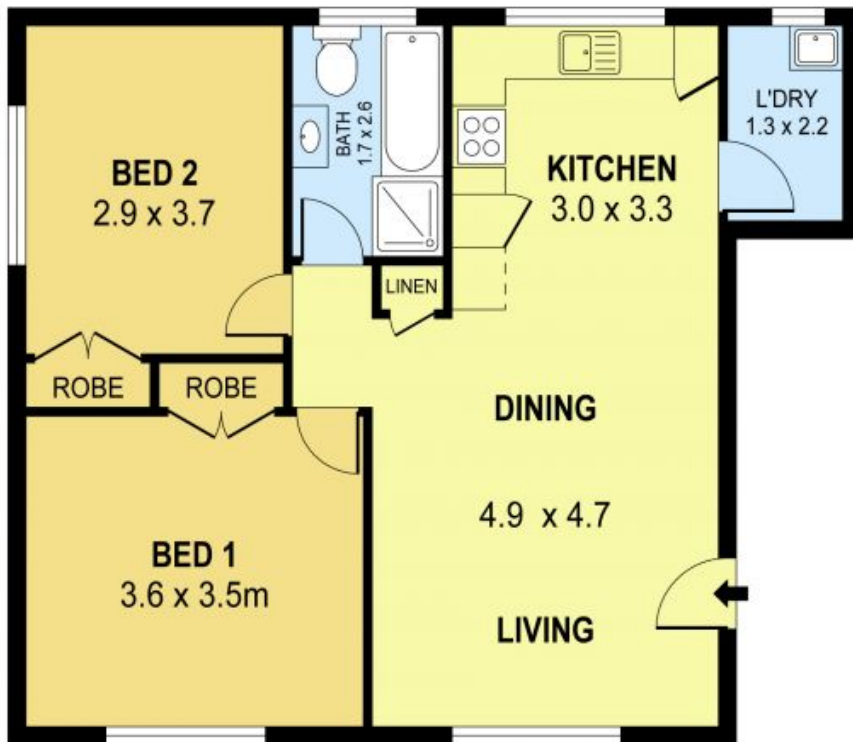

Paired with a lifestyle setting of vast everyday appeal, this top-floor apartment accommodates dynamic urban living of easy comfort and convenience. Beautifully private and radiant with natural light, the residence displays recently refreshed interiors encompassing open-plan living, two spacious bedrooms, and a neat fully-appointed bathroom. Solidly built, the complex is enviably positioned just a block from the beach and enjoys close proximity to the CBD and train station. Complete with abundant storage and undercover carport, it invites you to simply move in, relax and take full advantage of the magnificent location on offer.

Price: \$432,000
