### Spectacular beach home with 180-degree ocean views

This magnificent beach home situated on 705sqm was designed by Architect Ron Allars for his own family so it naturally includes top quality construction, finishes and inclusions and is the ultimate entertainers dream home. Stunning sunrises and sunsets are enjoyed from the sun drenched balcony and living areas. The north facing skylights bath the interior in sunlight and moonlight throughout all seasons and electric controls open the skylights to enjoy those beautiful summer breezes while overlooking Freshwater beach and extending to Queenscliff headland and western facing district views.
