This beautiful 3 bedroom home plus massive studio or 4th bedroom if needed will be great for your family. There are very nice gardens out the front on this quiet street and out the back is a large tree shaded area for the kids and the family dog to play. The home is 2 minutes walk from the local shops and bus stop. Also the soccer fields and tennis courts are within walking distance. In the large all purpose room/rumpus there is a second toilet which can be accessed from the back yard when entertaining so bring the whole family along to inspect this one and enjoy the rewards.
