FIRST HOME SPECIAL

Calling all first home buyers, come along and inspect this great three bedroom home. The main bedroom has a built in wardrobe and airconditioning. There is a big living dining area and a huge kitchen. At both the front and rear there are great sunrooms and a laundry big enough to swing a cat. There is a single garage and single carport off the front so plenty of parking and the front yard is fenced for kids safety and privacy. This property also has a great rental potential so investors are welcome too.
