Great Opportunity for First Home Buyers

This family home that has been loved by its current owners since new is finally now listed for sale for the first time. The home itself is positioned at the crest of the street providing sensational views over the rural pastures of Camden. The home offers 3 bedrooms, 1 bathroom, galley style kitchen adjacent to the dining and living area. In addition the home is constructed on the block to provide ample side access to the rear yard. The central location also provides access to great schools, parks, shops and public transport.
