### Blue Chip Location

This is your rare opportunity to purchase an amazing property in the heart of Camden. The land is zoned B4 - Mixed Use which provides various opportunities for living and business. The home itself consists of 3 bedrooms, good size living and kitchen spaces and a huge covered garage and carport area. The home is currently leased which provides instant income for an investor. The land size is 651sqm and is right next door to Coles Shopping Centre. What a prime property in a stellar location.
