Great Opportunity for Investors

This home is the perfect opportunity for the investor as it's currently leased with a great tenant. The home itself is positioned at the crest of the street providing sensational views over the rural pastures of Camden. The home offers 3 bedrooms, 1 bathroom, galley style kitchen adjacent to the dining and living area. In addition the home is positioned to provide ample side access. This central location also provides access to great schools, parks, shops and public transport and is walking distance into Camden.

Price: \$545,000
