### What a Great Start

Standing on a level block this beautifully presented home offers tasteful updates in a friendly neighbourhood. There is plenty of space both in the front and rear yard which is connected via the side access making it an ideal area for kids to play. Also connected to the rear of the home is a great sized covered entertaining area which flows out from the kitchen creating a functional and fun space for the family.

The home is positioned close to great sporting fields, Tennis Courts, public transport and great schools like Camden South Public. If your looking for an affordable option in a great location then this home is a must see.
