Spacious Double Brick Family Home with Elevated Views

This family home is located on the elevated side of the street and is situated in a quiet and prestige's cul-de-sac with views from both front and back of the property. Relax on the back tiled balcony with guests and take in the sensational views overlooking Garigal National Park whilst on the front balcony you can take in the city skyline views. Plenty of room for the growing family with multiple living spaces to suit everyone's needs.
