

4/45-47 Ascot Road Bowral, NSW

By popular demand

You'll fall in love with this modern single level, three bedroom garden villa ? nestled quietly amongst one of Bowral's most highly sought complexes, and a short level walk to medical facilities. Open plan design and 9 foot ceilings throughout combine to create a sense of space. But that's just part of the story. An enchanting rear courtyard with camellia hedges, clematis and standard roses creates an equally appealing outer sanctum.
