### The 'Walk-to' Lifestyle

Have you ever considered the 'walk-to' lifestyle. Whether it's a walk to the shops, walk to the gym, or even walk to work. If simplifying your world just makes sense, then you're going to love living right here. The home is a traditional design with large separate living areas making it a comfortable home to enjoy. It offers 4 great size bedrooms on the top floor with an ensuite and WIW to the main, plus a 3 way main bathroom being 1 of 4 total bathrooms on offer in this home. Great size alfresco, in-ground pool and side access compliments the large home along with a self contained studio on the lower level.
