

3/17 Queen Street North Strathfield, NSW

3 2 1

Meticulously renovated, gloriously sundrenched and unbelievably spacious apartment

This delightfully renovated top floor apartment sits on the top floor of this impeccably kept boutique block of four. With no stone left unturned during its renovation here you will find a property that has truly been thought about in every aspect to capture the most amount of natural light, largest amount of internal space and use of the highest quality finishes that you could want. Location wise you will not get any better as you will find yourself within walking distance to North Strathfield and Strathfield train station, North Strathfield shopping village and easy access on to the West Connex.
