Price: AUCTION

In a beautiful blend of old and new, this character cottage is topped with a sleek contemporary addition, providing two fully-contained dwellings.

Downstairs, the original part of the home offers two bedrooms and an open-plan family, kitchen and dining area, plus an additional lounge room. Period features, including ornate ceilings, picture rails and timber fretwork, exist in pleasant contrast with a modern white kitchen. The rear deck, paved area and lawn offer a generous slice of the great outdoors, while plenty of off-street parking is available thanks to a rear-access driveway and garage.

In the modern second-storey addition are two more bedrooms, the main with an ensuite and walk-in robe. The top floor has its own kitchen, lounge and dining area, a main bathroom with laundry facilities, and two balconies.
