In the interests of keeping our landlords/tenants and staff safe, if you are feeling unwell, experiencing any cold or flu-like symptoms or have recently returned from abroad or interstate, we ask that you **do not attend our open inspections**.

Please contact our office to organise a way for you to view our properties without coming on site.

It's important if you are symptomatic or do not feel well that you maintain respect for our landlords/tenants and do not go on site.

For all visiting persons, remember **no handshaking** or contact and please avoid touching any surfaces in the property.

We thank you for your cooperation.
