BBQ at your place

For me what stands out with this property is the multitude of upgrades and improvements that have been made to ensure there's nothing left for you to do. The list is long but it includes new appliances, fresh paint, new flooring and a brand new ducted air conditioning system. The external features are really exciting, especially at this time of year with an oversized pergola area perfect for all your friends and family to visit and enjoy. There's also the option for large side access which could easily fit a boat or trailer. Please attend our scheduled showing as this one won't last long at all.

Price: \$626,000
