American-Victorian Inspired Mansion.

Every so often a property comes along that is truly 'next-level' in every sense, and this gracious American-Victorian inspired homestead on a glorious five-acre parcel of land sets the bench-mark for refined country-style living that is world-class in its sophistication, vision, aesthetics, and design.

Grand, impressive, and sumptuous; the main residence comprises sweeping entry foyer featuring a circular staircase that wouldn't be out of place in "Gone with the Wind", four ensuited bedrooms plus powder room, high-end kitchen with butler's pantry, multiple formal and informal living areas, office/den, loft, fully-equipped home cinema, wrap around patio/verandah with state-of-the-art outdoor kitchen, laundry, and double lock up garage.

...
...

The grounds are also impressive ? with manicured landscaped fenced gardens, stately circular driveway, with masses of room to put in a pool and tennis court; it could be adapted for horses, and the kids will love the onsite motocross track! As opulent as this home is; it is also essentially family friendly and well-designed?it doesn't just look amazing, it i...

Price: \$4,000,000
