Lakefront luxury by the beach

Get away from it all and enjoy having the quality space to relax with this fantastic family property backing onto Copacabana lagoon with the beach just short stroll or, even better, just a 5 minute kayak away.

Boasting generous spaces across three levels, with beautiful refinements including stunning marble kitchen and brand new smart bathroom with views from the raised bathtub. The house has two living spaces, which allow for casual and formal dining, and the rear deck is the ideal place to entertain your family or guests, with views of the water through the trees. While downstairs there is a completely self-contained flat, ideal for the in-laws or passive income.
