

SERENE

HAMLYN TERRACE

1-15 Hamlyn Road Hamlyn Terrace, NSW

Welcome To Serene - Hamlyn Terrace

Remember when larger blocks were in abundance? Serene, Hamlyn Terrace, is a throwback to the way things were, but with all the modern conveniences. Not only are there blocks available up to 901sqm, but they also offer wider frontages, which means more space between you and your neighbours. Additionally, some blocks enjoy an excellent nature reserve outlook.

Serene delivers on two key promises:

- 1- To be the deluxe estate in Hamlyn Terrace. With bigger blocks and engineered by a highly-esteemed boutique developer, this is the opportunity for bigger homes to be built. For years to come this will be the position of choice.
- 2- Enhance your lifestyle. Serene is where relaxed modern living goes hand-in-hand with natural beauty. Surrounded by nature and close to key shopping hot spots, Serene has everything you need for your ideal lifestyle.
