Convenient, central location...

A tremendous opportunity presents itself whether looking to occupy or invest with this charming two-story townhouse bathed in natural light located at the rear of a small, quiet complex (only 6 residencies in total). Position perfection, conveniently situated in close proximity to local specialty shops, boutique cafes, schooling/childcare services, and only a 400m walk to the Woodridge train station to access Brisbane CBD for work. Thoughtfully designed with a well-proportioned, airconditioned, open plan living/dining room and recently renovated, equipped kitchen with natural gas cooking, we are confident under current market conditions this will not last too long...
