Less than 5 minutes from the Town Centre of Tiaro this 2.43 hectare (approx.) estate is the perfect location to realise the farmhouse of your dreams and escape city living.

With commanding views over the surrounding countryside, this lush acreage property offers a family home full of memories.

A cosy countryside home greets you towards the front of the block giving you many opportunities for farming, livestock or further development to design your very own getaway.

This quaint cottage offers three great sized rooms ? 2 with cupboards (to stay) and a 4th room perfect for a study. The family bathroom has been nicely renovated and is perfectly positioned in the centre of the home.

We then welcome you into the large family room and combined kitchen and dining space, great for family gatherings.
