The Perfect Home For A Large Family

Completely renovated is this very spacious 3 bedroom plus study home. Ideal for the growing family or home business operator; the three separate living zones allow for segregated living or separate play areas. In addition to the clever floor plan this property boasts a security alarm, ducted heating & evaporative cooling. The exterior offers an array of entertaining options from a lush yard to a paved area complimented by beautiful shade sails for a balmy summer barbecue overlooking the sunset. The dwelling comprises a generous main bedroom with ensuite & walk in robe, and remaining bedrooms with built in robes. The kitchen encompasses an island bench overlooking the lounge & dining area and includes stainless steel appliances, dishwasher & gas cooktop. The main bathroom has been designed with ergonomics in mind and offers an elevated bathtub for ease of use with children. Inspection will impress, call today to snap up this well sought after address within walking distance to main shopping strip and schools....
