RELAXATION AT ITS BEST

Just step out into nature every day, enjoy a different quiet lifestyle from the rest! Here you can build your own Country Retreat where you can live amongst wildlife right at your doorstep surrounded by peace and tranquillity.

This rare and unique 118 acre parcel of land has a mix of bushland, clear grazing patches to graze cattle, overlooking two dams and some hilly terrain where you can go horse and trail riding to your hearts content because this land adjoins the State Forest where there is an abundance of deer, numerous other wildlife and your adjoining neighbours enjoy similar size acreage.

Located a few kilometres at the back of the popular Flowerdale Hotel and only a short drive to the townships of Whittlesea, Yea, Broadford and Seymour where you can also commute to Melbourne CBD by car or country rail.
