Build without limitations

We are excited to present this stunning registered block which allows you to be creative and design a home without the limitations of small frontages or nearby neighbours. Set in the exclusive Woodlands Estate Tahmoor with a reserve to the rear your new home will have the ease of access to all the new developments under construction including the new shopping centre which will be here before you know it. Have the house, the pool, the shed (SCTA) and still have a lawn for kids and pets to play. The owner has teamed up with a local builder to create a grand home that showcases the lots potential and bushland views with plans available upon request.
