### FAMILY HOME WITH LOTS OF OPTIONS

This high set home has a lot to offer. At first, it's the traditional 3 good sized bedrooms, lounge, dining, kitchen and family bathroom upstairs. But it's downstairs where this home has it's best potential with 5 different sized utility rooms that simply offer you so many options. Do you have a home business, hobbies, extended family, kids play space or the odd relative from overseas or interstate that drops in? Then this home may help solve some, if not all of these problems for you. Bring your imagination and create whatever the space you need.
