MASSIVE OUTDOOR ENTERTAINER

If you like living outdoors and love summer family BBQ's, then this home is a must see. The outdoor entertainment area is approx 10 x 5 metres and has room for lounging & dining all year round. The current owner has gone for painted concrete instead of the more traditional flooring, what this does is create a bright, airy and relaxing home. The potential to create a fourth bedroom or study or even both by adding a wall or two, makes this home opportunity plus.
