**MODERN LOWSET HOME LOW MAINTENANCE**

The owner has bought elsewhere & has priced this beautiful home to sell. When a modern family home includes appliances with names like Daikin, Westinghouse & Samsung, you know you are getting quality. For the inner master chef, the well designed L-shaped kitchen with Caesar stone bench tops, offers a great space to create family meals.

Overlooking the main living space, the kitchen makes it easy to connect with family at the end of the day. The media room allows watching movies or maybe online gaming using the fast NBN - all separate from the main living. You will love the spacious master bedroom and ensuite giving you that little extra comfort we all need.

**Price:**

Sold for \$518,000
