GREAT FIRST HOME OVERLOOKING PARKLAND

Are you looking for that first home? Then, look no further than this 3 bedroom home which has everything you need.

Each bedroom has its own split system plus one in the living and another one downstairs in the utility / rumpus making this a very comfortable home to live in. The head height downstairs is excellent and although not legal height it is definitely a comfortable height. The downstairs space is big enough for a pool table or alternatively would make an excellent kids playroom. At the rear of the property is parkland and a small creek with some beautiful established trees, a wonderful outlook not often found in the suburbs. Add a bigger back deck and sit back to enjoy the peace & quiet.
