## MODERN HOME WITH 9ft CEILINGS & NBN READY

Finally a family home designed for family living, those three separate living spaces means no more arguments over the TV. The teens will be happy with their bedrooms away from Mum & Dad,. They have their own kids retreat, access to the media/family TV room. The master bedroom will fit a king size bed easy and is located at the front of the home. The lounge room with its easy access to the alfresco dining and deck provides a great place to both relax or entertain. A must see is the extra storage space in the garage, a real problem solver.
