What an opportunity with panoramic views

North-east facing and high-side in a dress-circle pocket on 860sqm, the district and Middle Harbour views are spectacular and the opportunity extraordinary in this unique home. Welcoming with a striking contemporary aesthetic, all the elements are there to create a statement property including a rare large level backyard and pool, with just the finishing touches needing to be done to transform the residence. Finish and profit or find your forever home in a special locale.
