ITS GOT THE LOT... QUARTER ACRE BLOCK

Neat and tidy this three bedroom home has it all!

Upstairs is a great big tiled living space which is drenched in natural light and features a modern and practical Kitchen which overlooks a fantastic tiled deck, which has been professional built with insulated panel roofing, proving a huge extension of the living space and taking in the view of the quarter acre which this home sits upon. With three bedrooms, a family bathroom and separate toilet.

Downstairs offers a double lock up garage, a spacious storage room complete with built in shelves, an additional toilet, laundry facilities and an additional living space. With a double carport to the front of the double garage, all set behind a six foot fence, this home really does have the lot.
