RENOVATED & ON A LARGE BLOCK

This renovated home is sure to impress. Having undergone huge renovation in the last few years, this home is now looking better than ever and is ready just for you. Tucked away on a large 991m2 allotment, this home is fully fenced with an entry intercom system for added security. The home features a tiled air conditioned L shaped lounge dining room flowing through to the renovated kitchen which has been finished with crisp white cabinets and bench tops and a grey glass splashback and includes a gas cooktop, electric oven, dishwasher and large walk in pantry. Beyond the kitchen is the tiled family room which offers access out to the large covered entertaining area. All three bedrooms have been fitted with built in robes and ceiling fans. The bathroom boasts a double shower and has been finished in the same neutral fresh tones as the rest of the renovation. I urge you to inspect, as great homes like this, just don't last.
