## AFFORDABLE NEVER LOOKED THIS GOOD

With a beautiful tiled living space this renovation has transformed a once drab home. With modern chocolate feature walls that blend in and balance the neutral tones of the rest of this home. Pleasing to the eye and also very practical this home would suite a small family of couple.

Comprising of 3 built in bedrooms, an air conditioned open plan living area consisting of lounge, dining and renovated kitchen, a main bathroom with separate toilet, the master bedroom offers a bank of large built in robes and ensuite bathroom.

The large tiles that grace the living area flow out to the covered entertaining area off the lounge room. The yard is fully fenced and very low maintenance with minimal gardens.

This home is appealing and affordable, all within easy walking distance to the local shops, which is home to one of Brisbanes best pizza shops, a hotel, and transport. Sorry no pets.
