SOLD - Another Successful result by the Team at Your Address

Price: 439,000

This quality entry level acreage is back on the market after the previous contract crashed. Sick of seeing the same old 'Brick & Tile' clones - with unique colour and design, needing minor finishing touches to make it your own. Calling all Astute! Buyers realizing with capital gains assured, potential Granny flat and decking (plans available) and fantastic location in the growth corridor. This investor is liquidating all investments and is selling at below replacement cost.
