SOLD - ANOTHER SUCCESSFUL RESULT BY THE TEAM AT YOUR ADDRESS

Outstanding quality and design that is second to none, in a very sought after pocket in Regents Park surrounded by homes of similar quality. First impressions won't let you down, from the real timber floors to the bulk heads and granite kitchen bench tops, the quality runs consistently throughout the home. There are three living areas for separate entertaining plus the tiled alfresco area has great views.

Four great size bedrooms with all the extras you would expect from a large very well built home. With Village Square restaurants only minutes away and local Schools, Buses and shops in walking distance, this home offers all that you want and need. Quality homes like this don't come to the market very often, when they do they don't last very long.
