A sought after design of home that very rarely becomes available. The classic timber-raked ceilings and fireplace in the formal lounge give a real homey, relaxing feel. The kitchen, the hub of the home, overlooks the huge pergola area and pool. The home is spacious, especially with the extra rumpus room which could be used for so many things such as office work, kids' play area, teenagers' retreat, or entertaining area. The family/meals area has sliding-door access to the huge alfresco entertaining area, which overlooks the in-ground salt water pool and big back yard. This fantastic home is walking distance to schools, shops and bus stops and around 5 mins driving distance to Village Square and Grand Plaza restaurants and shops. Access to the airport and coasts are also only minutes away via Logan Motorway. Don't miss out on this classic home with fantastic features and great location.
