This wonderful contemporary low maintenance 3 bed plus study home is only 4 years old and has been designed and built by Metricon homes. It is situated on a private battle-axe block complete with its own driveway offering both security and privacy. The attention to detail is immeasurable and there is really nothing left to do but move in and enjoy, the homeowners standard of presentation and cleanliness is of such a high standard, even down to the Kashmiri jade pebbles used along the side yard to add a green sheen when wet!
