AMAZING VALUE, FANTASTIC HOME

You simply will not find better value for money in Heritage Park, and with Summer upon us, you can escape the heat in this fabulous home.

When the temperature goes up, come on down to 29 St James Circuit as this home is the perfect haven.

As you walk up the brand-new concrete drive, you can appreciate the effort that has gone into making this home as easy living and low maintenance as possible.

Step inside and enjoy the air-conditioned comfort, stunning tiled floors and free flowing floor plan, which provide a real sense of cool and calm.

The tiled entry is inviting and sets the tone with its separate lounge off to one side, which is a beautiful light filled space that can be made completely private. With double doors, split system air-conditioning and natural stone look tile under foot, all overlooking the in-ground pool and beyond.
