WELCOME HOME

Looking for a house that makes you feel welcome from the moment you step inside? Then look no further as this house has such a great feel about it that you will want to stay.

Move in and start enjoying the benefits of lower energy costs with features such as a combustion fire place for winter, solar hot water, insulation, air-conditioning for summer, and 4kw solar system.

Three newly carpeted bedrooms all with built-ins, a carpeted rumpus room, tiled lounge and dining and a well-appointed functional kitchen. Added extras include covered entertainment areas front and rear, a safe and secure front yard for children and pets, and single car accommodation all on a fully fenced 601m2 allotment.

With excellent presentation throughout, this home will not disappoint, an inspection is a must!

Price: \$335,000
