FOR SOMETHING A BIT DIFFERENT

This is something a little different, a Tri level home on a quarter of an acre in Bayliss Rise Estate. The entertaining areas are all on the same level, as well as the kitchen and the outdoor entertaining area.

Upstairs offers the main bedroom with air-conditioning, ensuite and walk-in robe plus 2 other bedrooms and the main bathroom with a separate toilet. The lower floor has the fourth bedroom plus another bathroom and the laundry, also internal access from the double lock up garage.

There is a massive rear yard ready for a pool and a massive shed, with full drive through side access.

This is a property for a family to take hold of and create something very special, with a very low maintenance 1124m2 block.

Price: \$489,000
