QUALITY HOME IN CUL-DE-SAC POSITION

This quality built, well presented family home nestled in a quiet cul-de-sac, features 4 built-in bedrooms, with the master suite also including an ensuite.

The living areas are free flowing and as you enter the home you are greeted by the lounge with a lovely bay window plus a formal dining room.

Moving through to the family and dining area featuring reverse cycle air-conditioning, and the sliding doors which offer access to the large covered entertaining area and add an abundance of natural light. The modern kitchen offers ample bench space and includes extras such as a range hood and good storage including a walk-in pantry. With a double garage and side access to the rear yard offering space for a shed, caravan or pool this home is sure to impress and will not last long.

Price: \$405,000
