### ACT NOW AND LET THIS BE THE ONE

Situated in a popular court location is this terrific four bedroom low set home on 780m2. Its big on space and provides perfect zones for all of the family to relax and would suit the most fastidious buyer. Offering two living areas and a separate dining room, four built-in bedrooms and master bedroom with ensuite, all being of a good size, whilst central to the home is the modern well-appointed kitchen with plenty of storage and bench space. Flowing from the second living area outside to the large entertainment area the backyard is fully fenced with double gate side access and single lock up garage which has been used as extra living space previously.

All within easy walking distance of schools, daycare, shops, park and transport, this home would be a great investment or an affordable home for your family.

With the relocation of current owners imminent you need to organise an inspection today.

Price: \$350,000
