METICULOUS ME

For all those who have searched for a genuine quality home in an excellent position and have just about given up please don't, you will fall in love with this home straight away!

Boasting a gorgeous presentation, tastefully decorated and designed with functionality is this inviting three bedroom home which offers the style of today with the comforts you would expect from a welcoming family home on a generous 758m2 block.

Offering a large modern kitchen with island bench and adjoining air-conditioned dining area, tiled living areas, modern family bathroom with quality fittings and a laundry with perfect storage options.

This welcoming home offers an exciting opportunity to make the most of Regents Park living. Put simply this property has it all and I predict will not last long....

Price: \$368,000
