OVER 2 ACRES SUITABLE FOR HORSES!

This prestigious rural property comprises a most impressive home positioned on a little over 2 picturesque acres.

This double storey

home features 4 bedrooms, 2 1/2 bathrooms and double lock up garage. From the moment you enter this stunning

property, with formal and informal living areas, you will feel right at home with the cool & cosy insulation, security screens and air conditioning in the tiled family area. The central hub of any house is the kitchen and this home is no exception, complete with excellent storage plus a unique utility room all overlooking the expansive entertaining area through bay windows and French doors. The house has a large downstairs laundry with shower. Internal access can be gained through the double lock up garage which has an extra large rear roller door.

The property

would suit those wishing to run a horse or other animals

and also has sought after side access.
