Enjoy tranquil reserve views and comfortable living!

A rare and beautiful, placed at the base of nature reserves, this home is definitely the one to see. Offering a split level design, this home provides an open-plan kitchen and living room that flow out onto a patio area, submerged by meticulously kept gardens and views out to the nature reserves. You rarely come across a home of this size with additional storage areas, however this property has been built with a massive under house storage room off the garage. With only a short drive to the local supermarkets and closest schools, this town house is perfect for you and your family.
