

1 Settlers Road WISEMANS FERRY, NSW

4 BEDROOM COUNTRY STYLE HOME WITH POOL

This is a large single level four bedroom home with level yard area and resort style in-ground swimming pool complete with palm trees. The home offers a wrap around verandah with under cover entertaining area and amazing rural and river views. There is plenty of space for the whole family and your guests with large rumpus/games room with internal and external access.

Neighbors are out of sight and the road runs a little higher than the house so there is plenty of privacy. School buses for both primary and high schools pick up from the top of the driveway and the property is located less than 1km from the 24 hour vehicle ferry at Wisemans Ferry.

This property is perfect if you want to escape the hustle and bustle and still be a commutable distance from areas such as Hornsby, Castle Hill or the Hawkesbury.
