STUNNING HOME MEETS BREATHTAKING VIEWS

I am so pleased to present this well designed and stylish, modern home with picturesque views and a leafy green backdrop. This home is ideal for entertaining with family and friends with a large alfresco patio overlooking the swimming pool. There are gum trees and the lovely Pine River as your view to enjoy everyday. From the moment you walk into this home you are greeted with natural lighting from the hallway through to the main living. This home has to be seen to be fully appreciated. It is simply stunning!
