Hamptons by the sea

This absolutely gorgeous Hamptons home is picture perfect and nestled in the quaint seaside village of Kiama Heights. With expansive views over the Pacific Ocean and the green rolling hills, this tranquil family home has delightful street appeal and is very intriguing on the inside. The restful lounge and living areas open to an adorable white gazebo where you can sit and enjoy the sunshine, views and the charm that this property offers.

The fabulous kitchen and dining area flow effortlessly to a beautiful courtyard and private outdoor entertaining, where the intricate screens allow for artistic shadows to further enhance the beauty of this space. Upstairs are 4 bedrooms with one of them being extremely large and allows for its own retreat area that embraces the breathtaking views of the natural coastline. The master bedroom is filled with natural light and spills to its own private balcony, which is a true escape for that morning coffee before you begin your day. As you enter this home, you will experience a sense of "coming home" because that is what the owners have created, with their soft approach to colours and textures plus restful garden...
